A TRIBUTE TO Tim & Beverly LaHaye

Thank you for your continuing prayers and support of Vision America. I am excited to invite you to a very special event that will be taking place on the first day of March at the Westin Galleria Hotel.

On this evening we are going to honor a couple that I view as Christian royalty, Dr. Beverly and Dr. Tim LaHaye. I know of no other two people in America who have made a greater contribution to the cause of Christ over the past 50 years. He is a renowned preacher, theologian, public speaker and author. Dr. Beverly LaHaye is the founder of the largest women's organization in America, Concerned Women for America, based in Washington DC.

Dr. LaHaye was a member of the founding advisory board of Vision America, when his wife Beverly extended to me my first invitation to a national convention as guest speaker for the CWA convention. He is known as a pioneer in mobilizing pastors to engage in the political arena. For 25 years he also pastored a mega-church in San Diego where he modeled Christian statesmanship.

Dr. Tim LaHaye is a prolific author with more than 30 published works including the best selling *Left Behind* series. Only God knows how many have been saved as a result of reading this series of novels based on the book of Revelation. It was his early book, *Battle for the Mind*, written in the 70's, that God used to call me into the work I am now doing.

We have a rare chance to say to this wonderful couple, "Thank You!" Please join us for this life-changing event on March 1. Dr. Tim LaHaye will deliver a prophetic message entitled "The Final Chapter" focusing on world events and what the Scripture has to say regarding the last days.

Warmest Regards,

Rick Scarborough
President, Vision America
